Something special is happening at Wesley Park! It's as if God, the good gardener, took a handful of good seeds, and scattered them into the good soil. During the week, God has been tending to these seeds, watering them, singing beautiful songs to them, telling them how wonderful they are! There is no doubt that these seeds will take root and produce blessing upon blessing upon blessing.

Responding to an invitation in worship to go into the world and pay attention to God's presence, and offer blessings wherever you go, fifteen people came forward to be sent out to bless. They will be returning to tell their stories Sunday, July 22 during the 9:15 am worship service. Please be praying for:

Jane Ellen Johnson, Chuck Johnson, Barb DeCan, Gayle Poertner, Pat Johnson, Gordon Spalenka, Nancy Spalenka, Carol Eckert, Cindy Lang, Mary Mingledorff, Shirley Myers, Mary Ann Keyes, Marilyn Knapp, Susan Kaminski, and Phyllis Prentiss.

At the very same time, members from the Greatest Youth Group in the Universe piled into vans and drove 900 miles and 13 hours later ended up in South Dakota where they went to work. These youth are working with other youth groups from around the country paying attention to the presence of God, and being blessed and a blessing for everyone they meet along the way. The youth will be telling their stories Sunday, July 22 during the 11 am worship service.

Thank you for your prayers and openness to what God is doing. May these seeds produce much fruit, so that all will know the love of God!
