# Wesley Park Weekly

November 4, 2018

## Pastor's Page

I forgot to invite people to contribute toward a special offering last week! My heart was filled with love of those who died and were remembered with the lighting of the candles. My heart was hurting with the sadness of deadly violence at the Tree of Life Synagogue. My heart was singing with the chancel choir and praise team. My heart was in awe of the love of God while witnessing the 104 signatures to our sisters and brothers in Pittsburgh as we pledged to stand together in unity and work for peace in our daily lives. My heart was hopeful, knowing that God is at work, and that Christ goes before us, and that the Holy Spirit will give us courage to meet the darkness with light.

All that to say why I forgot to announce a special offering to purchase and engrave paving stones for the Memorial Garden to honor those who were active at Wesley Park but do not have family in the community any longer. So, this morning, if my heart again is filled with love, or hurting, or singing, or in awe, or hopeful, and I forget to ask you to consider making a special gift today, please go ahead and take the initiative. You can place your special offering in an offering envelope and label it **All Saints Memorial Garden** and it will be administered appropriately.

I hope that you also remember to come to worship next week, November 11. **Erin Vanderlaan** will be sharing her story of trusting God through the good, bad, and the ugly while seeking contentment in a journey of trying to start a family.

November 11 is a meaningful day to contribute toward **Wreaths Across America**. Last year, Wesley Park provided over 100 wreaths to be placed at the Veterans Cemetery in Grand Rapids.

## **Slideshow**

Jill Beck is making a slideshow of the song, "Your Walk Talks". She needs digital pictures of WP in action: youth helping with community projects, the food truck distribution, blood bank or any community project we are involved in! If you have anything that could be used on her slideshow, please email it to [1queenofhearts@comcast.net](mailto:1queenofhearts@comcast.net).

## **Invitation**

Our congregation was started in the 1950's by the Grand Rapids Metro Ministry. We are invited to a celebration of the 65 years of Metro Ministry at 3 p.m. Sunday, November 11, at Aldersgate United Methodist Church, [4301 Ambrose Ave. NE](#), one of the other churches started by Metro. At the beginning of 2019, Metro will unite with the mission and outreach ministry of our new Midwest District. Join others on November 11 to celebrate all that United Methodists in Grand Rapids have done in urban ministry since 1954!

## **Bake Sale**

The youth is going to be hosting a bake sale in conjunction with their annual craft/vendor show. They will be looking for donations of your baked goods to sell. All proceeds from the sale will benefit the Family Promise Christmas Store. Please sign up at the Information Desk if you are able to donate.
