## Pastor's Page

During this season of Lent, our focus is on temptation and finding strength and hope through our Baptism. Our community is currently experiencing an opioid crises. The Red Project is dedicated to confront this epidemic through education and treatment.

([www.redproject.org](http://www.redproject.org)) Opioid overdose is a national epidemic and Kent County has not been spared, with deaths from accidental drug overdose surpassing automobile accidents. However, every overdose fatality is highly preventable. Naloxone (Narcan®) is a prescription medication that can safely and effectively reverse the effects of an opioid overdose. As of June 1st, 2017, over 5,000 individuals in the Grand Rapids community have been trained to use Naloxone, leading to more than 600 saved lives!

The Red Project offers Naloxone (also known as Narcan) for FREE to individuals, family members, and friends who want to be prepared for loved one who may be at risk. The prescription, a brief training, and the medication is provided on site by knowledgeable Red Project staff and volunteers.

Please consider attending one of the trainings below. You can coordinate to go with others through our online Care Connection.

## Kids Faith Formation Opportunities

As you have probably heard the rehearsals for our new IMPACT service at 11 am have begun. The service will officially launch Easter Sunday! This new service will include an expansion of our children's faith formation opportunities! We will now be offering two different faith formation opportunities, one during each of our two services (9:15 am and 11 am).

During the first service (now called **Foundations**) children will be able to attend an exciting and interactive lectionary-based curriculum. For lent, this will be an all-ages program until we grow our volunteer base to support it. The children will be invited to attend this after the children's blessing.

During the new **IMPACT** service children will be able to attend a hands-on, service project-based program. For lent, we will do simple hands-on service projects with all-ages working together. All needed supplies will be provided. We hope to expand this with the excitement of more kids and volunteer leaders.

**When** will this new programming begin? We will begin transitioning to this new model February 18th to coordinate with rehearsals of the new IMPACT service. This will be our trial run of the new schedule and allow time for us to iron out any kinks.

**Who** is invited? Children in preschool through 5th grade are invited to participate in one or both faith formation opportunities. Adults and youth we would love to have your help serving with and alongside the kids! **Contact Anna Spencer to find out how you can get involved.** Also, the nursery will be open throughout the morning until the end of the IMPACT service.

**Why** are we changing things up? We want to ensure that every child is welcomed into a safe and age-appropriate space in order to grow closer to God and one another.

In short, **we need your help to make this happen!** Our leadership base needs to grow in order to love our kids and help them become lifelong disciples of Jesus Christ. We need volunteers for both services in a myriad of capacities.

## Heifer Peace Pole

Throughout the season of Lent we will again fill the "Peace Pole" with quarters to help Heifer International end hunger and poverty for families around the world. Recipients of Heifer International gifts of animals are required to "Pass on the Gift" by giving the first born or equivalent of the gift received to another poor family in the community causing the original gifts to multiply. When the pole is full, it will hold over \$120, enough to purchase a sheep, pig, or goat. The Peace Pole is on a table in the Welcome Center. You can also talk to Nancy Spalenka if you have any questions.
