Wesley Park UMC has been blessed over the years as God leads this community of faith and those who are called to serve in ministry. We are so thankful for the work and heart of Tabi Fischer who cared for this church as our office manager and we pray for her as she cares for her family.

It is my honor to introduce to you Kayla Bolt as the new Wesley Park UMC Office Manager. Kayla started learning this complicated and important ministry last Monday. Please stop in and say hello when you are at the church!

Here are a few things to know about Kayla.

- ☀ Kayla's middle name is Marie, a name that she shares in honor of her Mom, Grandma, and Great-Grandma.
- ☀ Kayla served a total of five years in the Navy. She found this experience to be extremely humbling. She said her time in the navy "allowed me to meet some great people, and gave me experience with different cultures and personalities." Kayla was a petty officer, 3rd class, hospital corpsman and was attached with the army for two years. Kayla served in the Persian Gulf War stateside.
- ☀ Kayla is a member of Blessed Sacrament Catholic Church.
- ☀ Kayla is married to her wonderful spouse Ryan and they have a young, beautiful 3 year old son named Leo. They love to go camping.
- ☀ Kayla might get a cat in the near future. :)

Peace,

Ron Thompson
