Our Mission is to build a Christian community with all people.

Our Vision: By 2018, Wesley Park will strive to inspire from the youngest to the oldest and everybody in between to live out the greatest commandment: to love the Lord your God with all your heart, soul, mind, and strength, and love your neighbor as yourself.

## Family Promise at Wesley Park

It is an honor and a privilege to be a Host Congregation with Family Promise this week. Thank you for your outpouring of love and generosity as you have responded to the knock on the door and the request for a warm place to sleep for the night.

Please keep the families that will be our honored guests in prayer this week. And as you do, reflect upon the family of Christ. Mary and Joseph had no where to go when they arrived in Bethlehem. The city was over-crowded. The inns had been over-booked. Someone, unnamed, opened their home to these strangers. And the Savior of the world was born, in the sacred light of hospitality and love. When we care for one another, race, creed, economic condition, and all the other ways the world divides us up fade away. When we care for one another, we become a connected family of God.

Let us wait with wide-eyed anticipation for the ways in which we will experience the new life of Christ in the week to come. May God bless and keep you.

Peace,  
*Rae Deane Martin*

The Theme for the Season of Advent is Waiting. Take Some Time to Reflect on Scripture, Practice the Spiritual Disciplines, and Pray Throughout the Week.

## Third Sunday of Advent

December 13, 2015

### Lectionary Texts:

Zephaniah 3:14-20      Isaiah 12:2-6      Philippians 4:4-7      Luke 3:7-18

### Reflection

It's not easy to wait. The reminder to do so has got to be one of children's least favorite commands. Let's be honest though, we often have just as hard time with it.

Our fast paced and individually minded world conditions us to detest waiting even for the smallest of things. We are impatient in grocery store lines, infuriated by slow wifi, and frustrated when we cannot speak or take a turn immediately. If we can't wait for even the most mundane of matters, how will handle waiting in regards to more serious matters of health and well-being?

There is no question, it is hard to wait, no matter the reason. I wonder though if the season of Advent is asking us to be mindful again about the ways in which we wait. Waiting well is not a passive practice. Waiting well requires focus. This is why many Christians mark this season of waiting and preparation by using Advent wreaths or calendars. It is a way for the faithful to be attentive to that for which they are waiting and watching.

### Question

**Why is the posture of waiting so uncomfortable?**

## Practice:

The next time you find yourself waiting, recite the following words:

**God, thank you for your presence here with me as I wait.**

## Prayer:

Out of the night we come,  
bathed and cradled in light,  
reaching through the dawn,  
we cover ourselves with day.

Prayer taken from [Seven Sacred Pauses](#), by Macrina Wiederkehr.

## Walk the Labyrinth:

Throughout Advent, we will have a labyrinth set up in the Family Life Center. Everyone is invited to take a turn walking this ancient path that winds from the edges into the center. In this season of waiting and watching, the labyrinth allows us to participate in walking prayers. Further instruction and resources will be located in the FLC near where the labyrinth is set up.
